

Dr. Usha Anand | *PhD, Biochemistry Researcher and Professor*

Dr. Usha Anand, Ph.D. was a Professor of Biochemistry. She has served for more than three decades teaching undergraduate and post-graduate medical students at M. S. Ramaiah Medical College (Bangalore) and later at PSG Institute of Medical Sciences and Research (Coimbatore). She has about forty scientific publications in International and National Journals and has also presented more than 30 papers at several conferences.

She has a keen interest in poetry. She has written a book of poems 'Poetry in Biochemistry'. More than thirty poems written by her have been published in the international journal 'Clinical Chemistry' on various topics in clinical biochemistry. She has been an assessor for NABL and assessed more than hundred laboratories all over the country. She has also conducted assessments for AERSSC for medical laboratories in Nepal. She was a senior consultant and later the Quality Manager in Anand Diagnostic Laboratory in Bangalore. She has been a faculty for courses conducted by the Foundation for Quality (India) for about six years. She is currently a Senior Consultant at Vasavi Hospital Laboratory, Bangalore.
