

NIMHANS, Dr. Shyama Narang Foundation (MND Trust) & Foundation For Quality India invites you to an oration on:

Future of MND

hope for a better quality life

by Dr. Corrado Angelini

PROFESSOR AND DIRECTOR OF DEPARTMENT OF NEUROSCIENCES
NEUROMUSCULAR CENTRE, UNIVERSITY OF PADOVA (ITALY)

June 22 | 5 PM IST | 1:30 pm ET

Our special hosts for the day:

Dr. Pratima Murthy

Director-NIMHANS,
Head- Dept. of Psychiatry

Dr. Gourie Devi

Emeritus professor of
Neurology (IHBAS)

Dr. Shankaranarayana Rao

Neurophysiologist-NIMHANS

Dr. Venkatesh Thuppil

Emeritus Professor- SJMC

Dr. A Nalini

Professor of Neurology,
NIMHANS

Future of MND- Hope for A Better Quality Life

-an oration by Dr. Corrado Angelini

Webinar organized by NIMHANS, MND Trust: Dr. Shyama Narang Foundation & Foundation for Quality (India)

5:00 pm to 6:30 pm IST		22nd June 2022 1:30 Pm to 3.00 PM Central European Time
IST 5:00 pm to 5:03 pm	CET 1:30 pm to 1:33 pm	Welcome note Mr. U. A. Vasanth Rao <i>Founder Trustee, MND Trust- Dr. Shyama Narang Foundation</i>
IST 5:03 pm to 5:06 pm	CET 1:33 pm to 1:36 pm	Introduction of the Director Dr. B S Sankaranarayana Rao <i>Registrar, National Institute of Mental Health and Neuro Sciences (NIMHANS)</i>
IST 5:06 pm to 5:10 pm	CET 1:36 pm to 1:40 pm	Director's Note Dr. Pratima Murthy <i>Director of NIMHANS, Professor and Head of the Dept. of Psychiatry</i>
IST 5:10 pm to 5:13 pm	CET 1:40 pm to 1:43 pm	Introduction of the speaker Dr. Thuppil Venkatesh <i>Emeritus Professor at St.John's Medical College (Bangalore), Advisor, MND Trust - Dr. Shyama Narang Foundation</i>
IST 5:13 pm to 6:00 pm	CET 1:43 pm to 2:30 pm	Talk by the Speaker Dr. Corrado Angelini <i>Professor and Director of Department of Neurosciences Neuromuscular Centre at University of Padova (Italy)</i>
IST 6:00 pm to 6:10 pm	CET 2:30 pm to 2:40 pm	Question and Answer Session
IST 6.10pm to 6.13 pm	CET 2.40 pm to 2.43 pm	Introduction of Dr. Gourie Devi Dr. A. Nalini <i>Professor of Neurology NIMHANS, Bengaluru</i>
IST 6:13 pm to 6:30 pm	CET 2:43 pm to 3:00 pm	Concluding Remarks Dr. Gourie Devi <i>Emeritus Professor of Neurology, Institute of Human Behaviour and Allied Sciences (IHBAS), New Delhi. Former Director-Vice Chancellor, NIMHANS, Bangalore</i>

A brief about the event on 22nd June 2022

We have immense pleasure in inviting you to join us in attending the oration on, “Future of MND- hope for a better quality life”, by the distinguished professor of neurology- Dr. Corrado Angelini from the University of Padova Italy. For the Global MND/ALS Awareness Day a webinar has been organised on the 22nd June 2022 jointly with [NIMHANS-MND Trust Dr. Shyama Narang Foundation](#) and [Foundation for Quality \(India\)](#) between 5 PM to 6-30 PM (IST) 1:30 PM to 2:55 PM(ET).

To commemorate Dr. Shyama Narang birth Anniversary which falls on the 22nd June 2022, a MND warrior, in whose memory the Foundation has been established, we are having an Oration on “**Future of MND-hope for a better quality of life**” by [Dr. Corrado Angelini](#).

Motor Neurone Disease is a disease that affects the nerves called the motor neurons in the brain and the spinal cord. There is no cure for this disease through several exciting research and advanced clinical trials have begun especially in the United States and Canada. Dr. Corrado Angelini’s talk will cover the background of this disease, its management and the emerging technologies in the treatment of this disease. This webinar will also have an open question and answer session, where you can get a unique chance to ask the eminent professor any doubt you have- especially regarding MND.

A Brief Bio- Sketch of Dr. Corrado Angelini

Dr. Corrado Angelini

[Dr. Corrado Angelini](#) is a full professor of neurology at the University of Padova, Italy, where he also serves as coordinator of the PhD program in neurosciences and director of the Neurology Residency Program and the Department of Neurosciences Neuromuscular Center. Dr. Angelini earned his medical degree from the University of Padova and completed two fellowships with the Muscular Dystrophy Association, a research fellowship in 1972 at the Mayo Clinic, where he was a resident in Neurology and a senior fellowship in 1978 at University of California Los Angeles. In 1983 and 1988 was a Visiting Professor at University of Colorado, Denver and University of Boston.

His major research interests are primary biochemical defects in inherited neuromuscular diseases, clinical trials, pathophysiology of muscle dystrophies, myasthenia gravis, congenital muscle diseases, carnitina, lipid metabolism and disuse muscle atrophy and sarcopenia. He has coordinated numerous trials in the use of steroids in DMD and participated in the SMART trial in spinal muscular atrophies, sponsored by Telethon. He is an expert on metabolic myopathies and coordinates a group of physicians involved in ERT in adult glycogenosis type II. Dr. Angelini currently serves on the editorial boards of Neurology, Neuromuscular Disorders, Neurological Sciences, Current Opinion in Neurology, Basic and Applied Myology, Therapeutic Advances in Neurological Disorders and Acta Myologica. He was a founding member of the World Muscle Society. He is a 2004 winner of the Grands Prix Newropeans and a 2005 winner of the Gaetano Conte Prize (Kusadasi, Turkey).

Program Agenda

We invite you to us in an oration by Dr. Corrado Angelini –a global webinar on 22nd June 2022 to commemorate Dr. Shyama Narang birth anniversary, a MND warrior, in whose memory the Foundation has been established.

Our special hosts for the day:

1. [Dr. Pratima Murthy](#), Director of NIMHANS, Professor and Head of the Dept. of Psychiatry
2. [Dr. B S Sankaranarayana Rao](#), Registrar, National Institute of Mental Health and NeuroSciences (NIMHANS), Bengaluru, India
3. [Dr. Gourie-Devi](#), NIMHANS Emeritus Professor of Neurology, Institute of Human Behaviour and Allied Sciences Senior Consultant in Neurology & Chair of Neurophysiology Dept, Sir Ganga Ram Hospital, New Delhi, India
4. [Dr. A Nalini](#), Professor, Department of Neurology, National Institute of Mental Health and NeuroSciences (NIMHANS), Bengaluru, India
5. [Dr. Venkatesh Thuppil](#), Emeritus Professor at St. John's Medical College, Bangalore, CEO of Foundation For Quality (India) and Advisor: MND Trust, Dr. Shyama Narang Foundation.

Meet the Organisers

About NIMHANS

The National Institute of Mental Health and Neuro Sciences (NIMHANS) is an Institute of National Importance governed by the act of Parliament titled NIMHANS Act, 2012. This world renowned institute is a multidisciplinary institute for patient care, academic pursuit and cutting edge research in the field of mental health and neurosciences. The Central Government recognized its eminent academic position, growth and contributions, and declared it a 'Deemed University' in 1994. In 2012, NIMHANS was conferred the status of an 'Institute of National Importance. For more details visit www.https://nimhans.co.in

About MND Trust - Dr. Shyama Narang Foundation

The MND Trust formed under **Dr. Shyama Narang Foundation**, Bangalore, India, is a Registered Not-For-Profit Trust to raise awareness of Motor Neuron Disease /Amyotrophic Lateral Sclerosis and its impact on the community. Dr. Shyama Narang, a medical doctor, MD (OBG), from Peoples' Friendship University, Moscow, was diagnosed with MND during 2015 and during her lifetime she strived to maintain her independence and enhanced her quality of life. During her lifetime itself, she wanted to establish a foundation to inculcate the same passion of living despite all odds. Unfortunately, fate decided otherwise and she breathed her last on 2nd September 2019. The Trustees and Advisors are committed to take forward her mission. For more details visit https://mndtrust.co.in/

About Foundation for Quality (India)

Foundation for Quality (India) is a nonprofit organisation that was set up in March 2013. Since then it has been organising various types of certificate programmes for medical laboratory professionals like – Pathology, Microbiology, Biochemistry, Genetics and technologists, Molecular diagnostics, Imaging (Radiology), and other disciplines. They are from laboratories that have accreditation by NABL. FQI has trained more than 18000 laboratory professionals on how to conduct audits of medical laboratories and on the development of quality management systems, as per the ISO International Standard- “ISO 15189: 2012- Medical laboratories- requirements of quality and competence”. FQI has also been organising training programmes in countries such as Iraq, Nepal, Abu Dhabi, Dubai, Maldives and Bangladesh and have trained more than 2000 professionals outside the country.
